2007 Hardback

'...a valuable handbook for managers and business leaders in India...The book provides a wealth of insight and information...'

— **N.R. NARAYANA MURTHY**,
Chairman and Chief Mentor,
Infosys Technologies Ltd.

'This contemporary review of the larger purpose of business endorses the precept that business needs to partner civil society and the government in endeavouring to work for the maximum good.'

— **RATAN TATA**, Chairman, *Tata Group*

'This book is a refreshing path breaker in its analysis of how corporations and their CSR arms can lead the way in transforming social development initiatives.'

— **RAJU RAMALINGA**, Founder and
Chairman, *Satyam Computer Services*

'India's Corporate Social Responsiveness in a Globalized World offers a wealth of essential information, analysis, and insights.'

— **FRED DUBEE**,
Global Compact, United Nations

IT'S ONLY BUSINESS!

India's Corporate Social Responsiveness in a Globalized World

MEERA MITRA

In this well-informed and grounded book, Meera Mitra brings to bear both theoretical and hands on consultancy experience across the development and private sectors – to track the evolution of CSR in India, especially in the post-reforms era.

This is a subject rife with questions of political economy, of the interaction of government and business in development, and of the role of NGOs in moulding these processes. Using illustrations and cases, Mitra examines the efforts of the Indian corporate sector in this context. Recent issues such as the cola-pesticide controversy, the toxic waste dumping and the reservation of jobs in the private sector are all touched upon to highlight the challenges today's businesses face and the latter's response as well.

Readership: This book will be useful for development specialists, business leaders and managers, as well as college/university teachers and students in diverse fields such as sociology, development economics, management and political science. General readers and Asia Specialists engrossed in the fast changing context of India will find interest in the kaleidoscopic twists and turns of business/society engagements.

Contents

Foreword by N.R. Narayana Murthy

Preface

Acknowledgements

Abbreviations
